

# FRIDAY ROUTINE

Name \_\_\_\_\_

Margaret goes to Chez Patricio's restaurant every Friday afternoon at five o'clock. She waits for her husband Jim. When Jim arrives, they order their food. Margaret always orders soup and salad. Jim always orders a club sandwich. After their supper, both Margaret and Jim order a piece of pie and a cup of coffee.

Then, they say goodbye to the people at the restaurant and they go for a long walk. They like to breathe the fresh air and to talk. When they finish their walk, Jim and Margaret drive home in Jim's new car.
