3-Match

I like autumn because it is cool.  
 My apples become red.  
 My leaves become colorful.

I like summer because it's hot.  
 My apples grow bigger and bigger.  
 My leaves become greener and greener.

winter – spring – summer - autumn

I have no leaves or apples anymore.  
 But, I like winter because of the clean white snow.

I like spring because it's warm.  
 I get pink and white flowers.  
 I get new leaves.
